Background

- Our inspiration Shri Sureshdada Jain, a renowned personality of Maharashtra, has been tirelessly working for the last four decades to bring about a transformational change in the field of politics, education, social harmony, public health, inclusive culture and holistic development.
- The **‘Suresh Dada Scheme for Educational and Entrepreneurial Development (SD-SEED)’** was launched in 2008 to provide Scholarship, training and other student-centric benefits to economically challenged students, who have shown great academic potential of Jalgaon District.
- SD-SEED is ably guided by Dada's wife, Smt. Ratna Jain, as Chairperson, Shri Shantilalji Muttha, Founder, BJS as Principal Advisor, Ms. Meenakshi Jain, Executive President and Dr. Prasannakumar Redasani, Chairman of the Governing Board, which comprises of 30 eminent personalities, who form the Advisory and Selection Committee.
- This Committee thoroughly scrutinizes and screens each application, in order to ascertain the applicant's eligibility and also visit the student's residence for verification, thus ensuring that the right student is awarded the scholarship.
- Since 2008, over 14,227 students of the district have benefited from scholarships.
- 3,566 students have completed their education.
- 43,913 students have been trained in Soft Skills Development & other 17 topics.

Best Practices

- Reducing drop out rate.
- Pre-training and post training evaluation.
- MOU with Classes and Book Depots.
- Summer internship in reputed organisations.
- Giving Back and Adoption Scheme.

Planned Initiatives

- Mentorship Programme to provide psychological and emotional support.
- Career Counselling to help students make the right career choice.
- Training on Soft Skills and Life Skills
- Summer Internship opportunities for students through MOU with industries
- Guidance on Government Policies for new Entrepreneurs.

Challenges

- Student drop out rate
- Economic issues takes precedence over education
- Parents are unable to influence children to complete studies
- Lack of synchronization between Parents, Teachers & Students
- Communication with students to track their progress is difficult
- Developing self-confidence, soft skills and spoken English

Way Forward

- To create better eco-system of cross communication between Parent-Teacher-Student
- To create digital community of all stakeholders
- To work on improving quality of education
- Education Fair
- Placement Cell

Testimonials from Topper Beneficiaries

Chaudhari Gayatri Sunil B. E. (First Year) Selected for National Level Course Ball Competition from Nasik Division

The SD Seed scholarship has helped me to complete my education without any hurdles. In order to help humanity God sends people to help us progress. Our situation may not change, but we receive mental strength and our outlook changes. SD Seed started by Hon Shri Suresh Dada has shown me how to overcome the various hurdles. I am determined to progress in the education and Sports field, the credit of which goes to SD Seed. I wish that Dada is blessed with long and healthy life.

Trushali Bharat Rathod - B. E. (Electrical 2nd year) North Maharashtra University stood first

If one has to talk about Hon. Shri Dada, it is like counting the innumerable leaves of the banyan tree. I am honoured to be a recipient of the SD Seed Scholarship. This Scholarship has shown me that however difficult is your financial situation, if you have the courage, strength and determination you can progress in life. I pray that the SD Seed grows enormously like a banyan tree and Hon Dada continues to bless students like us.

Hrishikesh Arun Chaudhari MCA (Second year) North Maharashtra University

The SD Seed scholarship is not only for me means of financial aid, but I have also received motivation and guidance in choosing the direction in my education. Today I do not have any fear regarding finances which has helped me in choosing a good career and progressing towards achieving it successfully. SD Seed has motivated me not only to study but also to become a good human being. I will always be indebted to Hon Shri Suresh Dada Jain and may Dada be blessed with a long life and always be able to help students.

Saniket Sunil Sali - BCA (First Year) National Level Science Talent Search Exam Winner

Thank you for the SD Seed Scholarship which I have been receiving for the last three years. My father works as a labourer and our family's financial situation is very weak. Due to the SD Seed Scholarship my financial difficulties have reduced and I could continue my higher education and I am confident that I will be successful. SD Seed supports and motivates financially challenged and intelligent students thus enabling them to continue their education. It is said that the most expensive item in the world is help and if you ask a thousand people for it, may be you will receive it from one person. This help we have received from Hon Shri Suresh Dada Jain and we pray that he is blessed with a long life.

Conclusion

- Good education builds character of individuals
- Good education builds lives, cultures and civilization
- Good education creates aspirational opportunities
- Good education creates a sustainable society
- Good education is a must for humanity to survive
- SD-SEED stands for good education to under privileged
- SD-SEED is building better tomorrow for all

THANK YOU
