Higher Education Scholarship

Adoption Scholarship Program

Background

The Suresh Dada Scheme for Educational and Entrepreneurial Development (SD-Seed) is dedicated to fostering education and entrepreneurship among the youth of Jalgaon District.

The philosophy behind SD-Seed is rooted in the belief that **'Education is the cornerstone of societal progress and individual empowerment.'**

SD-Seed is inspired by the tireless efforts of Shri Suresh Dada Jain, who dedicated his life to public service and community development. Dada's vision of a literate and progressive country is the guiding light for all our initiatives, reflecting his unwavering commitment to serving the common man.

Our **Vision** is **"To seed talented students for successfully acquiring entrepreneurial skills and enhanced employability at global level."**

Our flagship initiative, the **'Matoshree Premabai Jain Higher Education Scholarship,'** is awarded annually to academically promising students facing economic challenges. Since 2008, over 15,000 have benefitted from this Scholarship and 3700 Beneficiaries have completed their education.

This Scholarship is part of a holistic package that includes various student-centric program benefits, such as training, Internship, mentorship, Career Guidance, etc., aiming to enhance their educational journey and future employability.

At SD-Seed, we believe that, **'Education is the key to unlocking a brighter future.'**

We have been deeply moved by the outpouring of support from Individuals and organisation, who share our commitment to the cause. Many have expressed a heartfelt desire to collaborate with us in awarding financial scholarship to deserving students. In response we have **established the Adoption Scholarship Programme (ASP) to facilitate these collaborations.**

The Adoption Scholarship Program aims to boost the number of Scholarships emphasising the need for more donations.

We invite you to join us in this noble cause and commit to three to five years of continuous support. Your support will make a lasting impact on the lives of these deserving students and ensuring students completes their education without interruption.

Together we can transform dreams into reality and build a brighter future for all.
