Zarco Secretary, 03-08-2022

Our Inspiration

Hon. Shri Suresh Dada Jain

- **VISION**

"To seed talented students for successfully acquiring entrepreneurial skills and enhanced employability at global level."

- **MISSION**

- **Educational Awareness:** Promoting the significance of education among all community stakeholders.
- **Financial Support:** Providing scholarships and financial aid to eligible students to help them achieve their educational goals.
- **Enhance Employability:** Offering comprehensive development programs to equip students with the skills and experiences necessary for successful careers.
- **Sustainability:** Ensuring the longevity of our programs to benefit an increasing number of students.
- **Comprehensive Initiatives:** Developing and implementing programs that empower students, teachers, and parents.

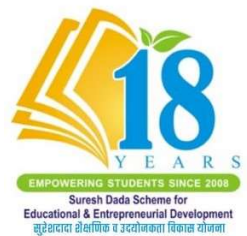

- **SCOPE**

All Students from Jalgaon District, irrespective of caste, creed, religion and race from Std. 8 and above can benefit.

www.sdseed.in

3

Background

- The **Suresh Dada Scheme for Educational and Entrepreneurial Development (SD-SEED)** was launched in 2008 to foster education and entrepreneurship among the youth of Jalgaon District.
- Shri Suresh Dada Jain our Inspiration believes that ***'Education is the cornerstone of societal progress and individual empowerment.'***
- SD-SEED is guided by Smt. Ratna Suresh Dada Jain, as Chairperson, Ms. Meenakshi Jain Executive President and Dr. Prasanna Kumar Redasni Chairman of Governing Board alongwith 30 dedicated leaders and advisors from various fields. There are 14 Taluka Co-ordinators who represent SD SEED and are the link with students at the grass root level.
- Our flagship initiative, the **'Matoshri Premabai Jain Higher Education Scholarship,'** is awarded annually to academically promising students facing economic challenges.
- The Scholarship Selection Committee rigorously evaluates each Scholarship application to ensure that the right students receive financial support.
- Along with Scholarship there are various student-centric program benefits such as Training, Internship, mentorship, Career Guidance, to enhance their educational journey and future employability.
- SD-SEED empowers Teachers and Parents by providing teacher training and parent counselling to support student development

Adoption Scholarship Program (ASP)

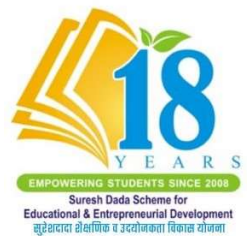

- Our Mission is to bridge ambition and opportunity, by extending financial support to a more number of economically challenged students, enabling them to focus on studies and reach their full potential.
- Numerous Individuals and organisations have expressed a heartfelt desire to collaborate with SD-SEED in awarding financial scholarships to deserving students.
- To expand our reach, we have added the ASP to increase the number of students we support.
- We invite you to join us in this noble cause and commit to three to five years of continuous support.

"Transforming Lives : Small steps to Noble Aspirations"

www.sdseed.in

Stream based Scholarship Allocation from 2008 till 2024

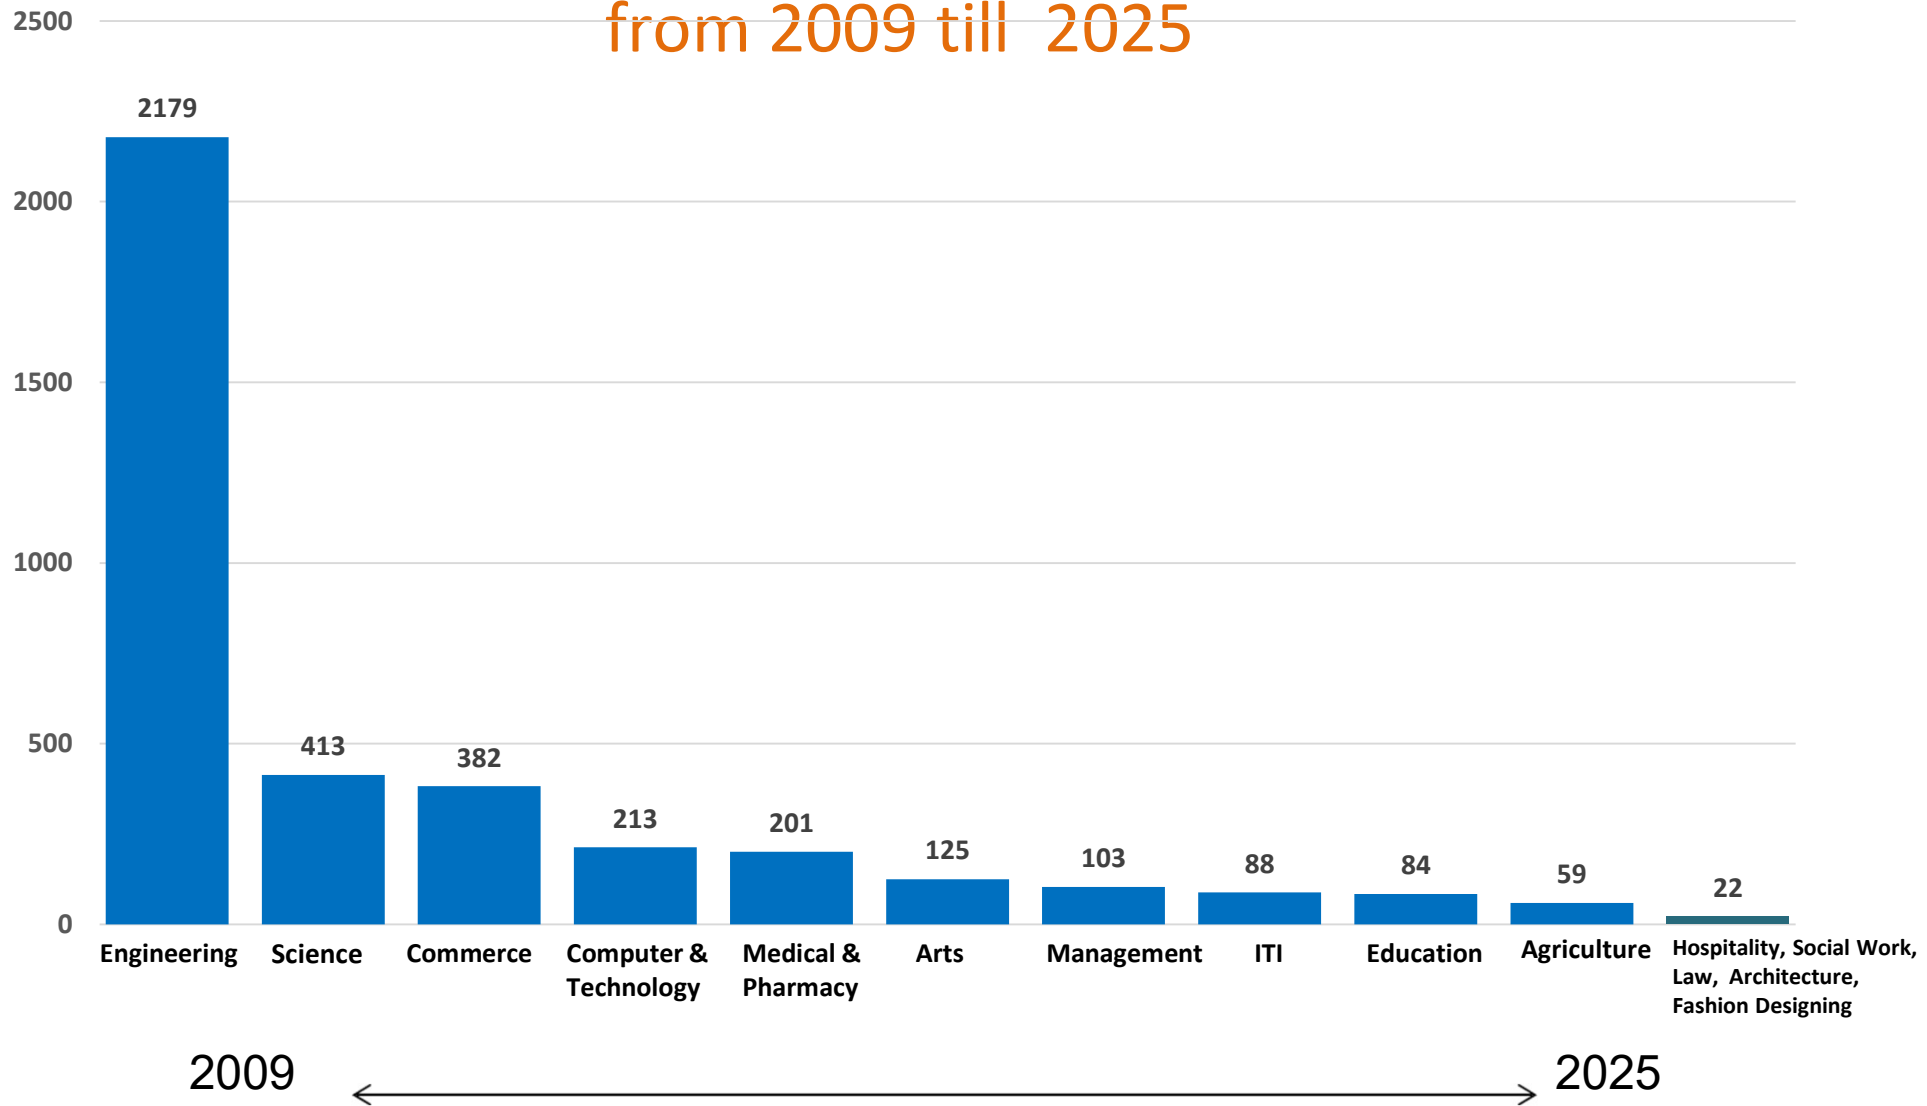

Total No. of Beneficiaries : 15116

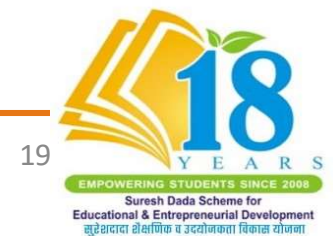

18

Stream wise Education Completion from 2009 till 2025

Highest beneficiaries pass out in Engineering stream
Total number of pass out Beneficiaries : 3869

Best Practices

- Rigorous scrutiny of Scholarship application.
- Reducing drop rate through mentorship support
- Pre training & post training evaluation.
- MoU with Coaching classes and book depots for additional discounts
- Internship with organisation for practical exposure and on the job training.
- Progress reports of Adopted Beneficiaries to Donor.

Challenges

- Loosing students connect due to frequent mobile and location changes.
- Gap in English, computer and essential employability skills
- Education often overshadowed by economic pressure
- Limited parental exposure for career guidance
- Internship affected by students financial need and commitment.

Way Forward

- To create better eco-system for cross communication between Parents-Teachers-Students
- Focus on AI Learning and training
- Encourage parents to play an active role
- Increase counselling for students on the importance of higher education
- Tie up with vocational training institutes
- Education fair to provide a platform for students aspiring to study abroad
- Develop a placement cell to provide job opportunities

Motivational Thoughts by Dignitaries (2013-2024)

Chief Guest for 2024

Dr. S. S. Mantha, Chancellor - Ramdev Baba University, Nagpur

- You should simultaneously pursue dual career paths : one based on academic qualifications and a second career based on your skills
- Vocational education & new technologies provide job opportunities at the grass root level which leads to economic growth
- Understanding business management & financial literacy can help individuals identify and capitalise on business opportunities
- Stay curious, work hard and believe in your ability to succeed

Shri Deepak Chaudhary, Bhumiputra, Chairman & Managing Director – Spectrum Electrical Industries

- Believe in yourself & have strong self – confidence which will give you the strength to overcome difficulties & stay connected
- Focusing on your inner strengths & abilities is a powerful way to find inspiration and drive
- Analyse others' experiences, specially their failures which will provide valuable insights and lessons to help you on your path to success.
- You have the power to create your universe from the ground up, so adapt and evolve to thrive in any situation

Chief Guest for 2023

Dr. Shri Anand Kumar, Founder Super 30, Patna

- Let every failure open a new path for opportunities. Face every exam with confidence and total preparedness
- Measure happiness in terms of satisfaction, fulfillment & not monetary gains. Always endeavour to brighten your future with vision.
- Parents should accept change, motivate children and guide them to make the right decisions.
- Have an open mind, be ready to experiment, gain knowledge from your learnings and interactions, which will open up a world of opportunities.

Chief Guest for 2022

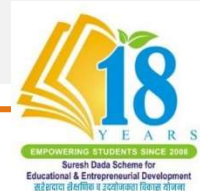

DR. (MRS.) SUSHMA P. VEERMANI, DIRECTOR RAMANUJAN INSTITUTE

- The work being done by SD Seed is phenomenal. I wish students in other Districts could also benefit from the work of such noble organisations.
- Students should never lose confidence and be happy.
- Always give importance to human values and be a good human being which is most important

www.sdseed.in

Motivational Thoughts by Dignitaries (2013-2023)

Chief Guest for 2021

SHRI VISHWAS RAO PATIL, SCHOLAR ON GANDHIAN PHILOSOPHY

- Students should move from the world of profit and loss to the world of values.
- Charity is the greatest power in the world.
- Our economic condition should not cause us to stop and get depressed
- Education has taught us to nurture friendships and gives us a sense of dignity
- Values teach a person to live

Chief Guest for 2018

MR. HANMANTRAO GAIKWAD (FOUNDER, BGV India Ltd., Pune)

- Students should develop a keen sense of observation and thorough knowledge of the subject, without compromising on quality.
- There are many opportunities available in the world, do something which will be beneficial to society, the nation and in turn will make your life fruitful.

MR VIJAY DARDA (Chairman, Lokmat Media Pvt Ltd, Nagpur)

- The disbursement of such scholarships motivates and encourages economically challenged students, who have shown great academic potential to continue their studies.
- Education is the only medium that create a culturally developed society, country and world. This is the same medium, which will help develop India give us great leaders.

Motivational Thoughts by Dignitaries (Cont'd)

Chief Guest for 2017

MR AVINASH DHARMADHIKARI (Former IAS Officer & Founder, Chanakya Mandal Pariwar, Pune) The formula for creating successful life & career:

- Recognize your individual potential and intelligence and accordingly choose a career. Do not get carried away by what others do.
- Decide the direction of your career based on your ability, interests and liking and get ready for global competition.
- Think of global competitiveness in your chosen field and work towards achieving excellence through dedication and determination. This will help in building a strong foundation for a successful life.

Chief Guest for 2016

DR RAJAN WELUKAR (Former Vice-Chancellor, Mumbai University)

Beneficiaries should look at this financial assistance as an opportunity and make progress. Primarily, education and development are interconnected, because higher education will lead to greater development of the country.

PROF PP PATIL (Vice-Chancellor, North Maharashtra University)

- With the launch of SD Seed, Hon'ble Shri Sureshdada Jain has undertaken a noble cause of promoting education among meritorious students, irrespective of caste & creed.
- This Scheme has helped in eliminating the financial hurdles faced by students, thus helping them to prove their qualities and be successful.

PROF PRAKASH PATHAK (Executive Director, Bhosala Military School, Nashik)

- Students should persevere for knowledge in their quest to understand the future.
- Scholarship is not just a figure, but you should understand the giver's sentiments behind this gesture.

Motivational Thoughts by Dignitaries (Cont'd)

Chief Guest for 2015

DR PANDIT VIDYASAGAR (Vice-Chancellor, Marathwada University)

- Develop the ability to adapt according to the situation.
- Self-discipline will make you successful.
- Opportunity will not announce itself, so make use of every opportunity you get.

DR GIRISH KULKARNI (Founder & Director, Snehalaya, Ahmednagar)

- Helping the deprived persons means following the humanitarian religion.
- This Project of Shri Sureshdada to care for the welfare of the students is a noble deed and today the country needs such projects today.

Chief Guest for 2014

DR ANAND KARVE (Renowned Scientist)

- Today's education system kills the thought-process of students. To overcome this, it is necessary to foster new thoughts.
- The major global inventions have been done in India, hence it is important for us to foster a spirit of enquiry, adopt the path of new thoughts and development.

DR SUNILKUMAR LAWATE (Researcher & Writer)

- India can become a super power very soon, so all of us to take steps to achieve this change.
- If you are in a decision-making position, should help to solve the problems of those in need.
- Stay in the company of great men. Help needy students by providing them scholarship.

Motivational Thoughts by Dignitaries (Cont'd)

Chief Guest from 2008 to 2013

DR SHANKAR PUNTAMBEKAR (an eminent Litterateur), **Chief Guest in 2013**

- When a drop of water falls into a shell, it becomes a Pearl. However, if the same drop of water goes into a snake's mouth, it transforms into Poison. Similarly, hundreds of students are going to transform into Pearls with help of SD-SEED Scholarship.

DR RAGHUNATH MASHELKAR (an eminent Scientist) , **Chief Guest in 2011**

- Not to let success divert your mind.
- After putting hard work and successfully achieving their goal; someone from Jalgaon might be the recipient of the Nobel Prize.

DR NARENDRA JADHAV (Member, Planning Commn., Govt. of India), **Chief Guest in 2010**

- Define your goals and have a strong faith in yourself that you will achieve it.
- There is no alternative to hard work. Manage your time properly.
- Respect your Parents. Have social responsibility and always think positive.

DR NK THAKRE (Ex-Chancellor, NMU), **Chief Guest in 2009**

- To bring a smile to a sad face.
- To help the needy and uplift them is real service to God.

SHRI MB SHAH (Renowned Writer), **Chief Guest in 2008**

- Sacrifice & value-based living make a good citizen.

Testimonials from Beneficiaries

Rutuja Anil Sonawane
Jalgaon | 3rd Year
BDS 2025

I Rutuja am a resident of Jalgaon and beneficiary of SD Seed for the last 4 years. Currently, I am in my third year of BDS (Bachelor of Dental Surgery) at Nair Hospital Dental College. My father runs a small salon. This scholarship has provided me with financial assistance every year and has greatly helped in reducing the financial burden of my education. SD-SEED also organizes various guidance and mentorship programs. I was fortunate to have Meenakshi Tai as my mentor, who regularly communicated with me, understood my difficulties, and guided me properly whenever I needed help. I hope SD Seed continues to support me and deserving students. I am truly grateful to the entire SD-SEED Team for their constant help and encouragement. I assure you that I will also contribute and help other students under this initiative.

Durvankur Gajanan Sonar | Jalgaon |
B. Tech Comp. Sc.
4th year 2025

My name is Durvankur Gajanan Sonar, and I am a resident from Jalgaon. I am currently in the final year of my B.Tech in Computer Science. For the past two years, I have been receiving a scholarship from SD Seed, and I am very happy and grateful for this support. This scholarship helped me pay my college fees, reduce the financial burden on my parents. It has also been a great help in buying books and meeting other academic needs. This is a wonderful opportunity because it not only provides financial assistance but also motivates us to perform even better in our studies. I sincerely thank Hon Suresh Dada for this initiative, as it has given us trust and encouragement to move forward.

Nukul Hemant Dhake | Jalgaon |
B.E. Computer
1st Year 2025

My name Nukul Dhake, resident of Jalgaon. I have been a beneficiary SD Scholarship for the last five years, which has provided me with immense support for my higher education, reduced the financial burden on my family, and encouraged me to confidently focus on my studies. I sincerely bow to Hon. Shri Sureshdada Jain, the main guiding force behind this initiative. Because of his vision and dedication to social and educational causes, we students have received such a valuable platform of opportunities. This Scholarship has help me look at my future with greater confidence. In the future, if I get the opportunity, I will certainly work with this organization to support other financially challenged students, help them in their education, and be a part of fulfilling their dreams. Once again, I sincerely thank SD-SEED Governing Board and especially Hon. Shri Sureshdada Jain for trusting me, encouraging me, and giving me the opportunity to move forward in life.

Mansi Balu Shirsat
Jalgaon | BVSc & AH
3rd Year 2025

I am Mansi Shirsat studying in 3rd year of BVSc & AH at Nagpur Veterinary College, Nagpur. I am truly honour to have received the SD SEED scholarship and being part of the SD Seed. This scholarship has greatly helped me for my education and motivated me to work towards my goals. The financial support has helped reduce the financial burden on my parents for the fees and brought them relief. I sincerely express towards my gratitude towards to your valuable support.

www.sdseed.in

Conclusion

- Good education builds character of individuals
- Good education shapes lives, cultures and civilisations
- Good education creates aspirational opportunities
- Good education fosters a sustainable society
- Good education is essential for humanity's survival
- SD SEED is dedicated to building a better tomorrow through education
- SD SEED is committed to supporting intelligent and underprivileged students in their education journey

THANK YOU
