# Background

- The **Suresh Dada Scheme for Educational and Entrepreneurial Development (SD-SEED)** was launched in 2008 to foster education and entrepreneurship among the youth of Jalgaon District.
- Shri Suresh Dada Jain our Inspiration believes that ***'Education is the cornerstone of societal progress and individual empowerment.'***
- SD-SEED is guided by Smt. Ratna Suresh Dada Jain, as Chairperson, Ms. Meenakshi Jain Executive President and Dr. Redasni Chairman of Governing Board alongwith 30 dedicated leaders and advisors from various fields. 14 Taluka Co-ordinators who represent SD SEED and are the link with students at the grass root level.
- Our flagship initiative, the **'Matoshri Premabai Jain Higher Education Scholarship,'** is awarded annually to academically promising students facing economic challenges.
- The Scholarship Selection Committee rigorously evaluates each Scholarship application to ensure that the right students receive financial support.
- Along with Scholarship there are various student-centric program benefits such as Training, Internship, mentorship, Career Guidance, to enhance their educational journey and future employability.
- SD-SEED empowers Teachers and Parents by providing teacher training and parent counselling to support student development

# Best Practices

- Reducing drop out rate.
- Pre-training and post training evaluation.
- MOU with Classes and Book Depots.
- Summer internship in reputed organisations.
- Giving Back and Adoption Scheme.

# Challenges

- High Student drop out rate
- Economic issues takes precedence over education
- Parents are unable to influence children to complete studies
- Lack of synchronization between Parents, Teachers & Students
- Difficulty in communicating with students to track their progress
- Quality of education

# Way Forward

- To create better eco-system for cross communication between Parents-Teachers-Students
- Establish digital community of all stakeholders
- Encourage parents to play an active role
- Increase counselling for students on the importance of higher education
- Tie up with vocational training institutes
- Education fair to provide a platform for students aspiring to study abroad
- Develop a placement cell to provide job opportunities

# Testimonials from Topper Beneficiaries

## **Gawande Kadambari Rajendra | Jalgaon | MBA (Finance – 1<sup>st</sup> year)**

I come from an ordinary family in a rural village, where my parents work as farm workers in the fields. SD-SEED is the lifeline for students like me. It has instilled in me a positive attitude to overcome the circumstances that may hinder my education. With support from SD-SEED I am currently pursuing MBA First Year. I am deeply grateful to Hon. Dada, who with his foresight and vision has established SD-SEED as a premier institute for students. SD-SEED is helping to shape the future of thousands of students like me across the country. I assure you that we students are deeply committed to fulfilling the responsibility towards our education and upholding Hon Dada's trust in us and we are determined to make Hon. Dada's dream of a resplendent India a reality.

## **Rahul Sudhakar Attarde | Jalgaon | B.E. Computer Science (3<sup>rd</sup> year)**

My father passed away when I was young and my mother worked as a manual labourer to make ends meet. I was awarded the SD-SEED Scholarship which enabled me to pursue my B.E. in Computer Science Third Year. Initially, I had planned to discontinue my education after 10th Standard to support my mother by working as a manual labourer. However fortunately, based on my academic merit I secured the SD-SEED scholarship, which has covered all my expenses. I'm also grateful to SD-SEED for the internship opportunity at a prestigious company. I am humbled to be among the numerous deserving students whose lives have been transformed by this scholarship. I extend my most sincere and heartfelt gratitude to SD-SEED for their unwavering support and nurturing guidance, and I aspire to remain forever grateful for their kindness and generosity

## **Meenakshi Pravin Shivpuje | Bhusawal | B. Tech Food Technology (4<sup>th</sup> year)**

I am currently pursuing B. Tech Food Technology 4th year. My father passed away when I was in Std. 7. My mother worked as a domestic worker, which was instrumental in sustaining our family. The SD-SEED scholarship has empowered me to soar. I am grateful for the vision of Respected Suresh Dada Jain, founder of SD-SEED, and am confident that I will achieve my aspirations. Philanthropists like Hon. Dada, who support economically backward students, give us hope and reassurance that we are not alone. I hope this initiative continues to inspire students and transform their lives. I pray Hon Dada is blessed with a long life. I plan to contribute to this noble cause when I become financially capable, to help it thrive.

## **Manohar Ravindra Patil | Dharangaon | BAMS (1st Year)**

My father passed away when I was very young. My family's financial situation is weak and my mother works as a farm labourer to make ends meet. When we face difficulties, God shows us the way through people. I am delighted to say that God has shown me the way through Respected Suresh Dada Jain. I am recipient of SD – Seed Scholarship which has been started by Hon. Dada. I receive financial assistance for my education through this Scholarship. Hon. Dada's support has given me the confidence to become a good doctor.. I feel like I have got my father's support in the form of Hon. Dada, and I pray to God to give him a long life."
